

Directions fom Alicante Airport to Abdet

Please take care at the airport as there have been reports of thefts.

1) Leave the airport and follow signs for **Valencia A7** (that's the motorway heading north). You get onto the motorway about 2km out of the airport and it's well signposted.

2) Follow this all the way to junction 65 - see below

come of here and pay toll - about 3 euros. **Turn right onto the N332** - southbound for a few hundred yards. come off at the FIRST junction here - **CV 70 to Collosa - La Nucia**

3) Head in the direction of **Callosa - La Nucia - Alcoy** - follow red dots on above map.

You will pass a couple of supermarkets on the section. Lots of roundabouts! make sure you follow the road to **GUADALEST** after about 5KM - this is still the **CV 70** .

4) Follow signs for **Guadalest** - but then keep on the **CV 70** rather than turning into Guadalest. Go through Benimantell and then past a few other turns until you see the turn to Abdet - about 1km before you get to Confrides.

Number 19 and 21 are on the left in the first part of the village - at the narrowest part of the road. The numbers are above the doors. You can park for a short while just beyond the house outside a garage door (it's never used). Then the best place to park is 50 yards further on in the top square.
